GENERAL: CHOICE® WEATHER MASTER water conditioner is formulated to aid the performance and mixing of spray solutions. Hard water and high pH can reduce the mixability and/or solubility of certain pesticides. Components of CHOICE WEATHER MASTER sequester and chelate hard water ions. Ammonium sulfate and ammonial lignin from the salt components of CHOICE WEATHER MASTER will aid in uptake of some herbicides by certain plant species. CHOICE WEATHER MASTER can be used as an ammonium sulfate replacement. CHOICE WEATHER MASTER may be used on a wide variety of agricultural crops or industrial and non crop sites, such as but not limited to; Forestry (site preparation and release), Industrial (storage areas, plant sites, and other similar areas including governmental and private lands), Grasslands (including pastures, rangeland and fence rows), Right-of-ways (utility, railroad and road sides), Turf (golf courses, parks, sod farms, and lawns), and Ornamentals (container, field, greenhouse or nursery) and other turf, ornamental and landscaping sites.

DIRECTIONS FOR USE: CHOICE WEATHER MASTER is formulated to have no antagonism when used with Roundup WeatherMAX®. Fill spray tank 1/2 full of water and begin agitation. Add desiccant rate of CHOICE WEATHER MASTER to water before adding pesticides. Add pesticides, as directed by label, while maintaining agitation. Always add CHOICE WEATHER MASTER to water before pesticides. For tank mix compatibility concerns, conduct a jar test of the proposed mixture to ensure compatibility of all components. Mix components in the same ratio as the proposed tank mix.

SUGGESTED USE RATE:

Per Acre: 1/2 pint per acre has demonstrated performance equal to 2 lbs. Ammonium Sulfate

Per 100 gallons:

2 to 4 pints per 100 gallons – (1/3 to 2/3 fluid ounce per gallon)

Note: This product has demonstrated excellent plant safety; however, not all species of ornamentals have been tested. Before treating a large area, test on a small area and observe prior to full-scale application. Higher mineral content in water will require the higher rates of CHOICE WEATHER MASTER. CHOICE WEATHER MASTER does not replace requirement for adding surfactant. If pesticide label requires the addition of Activator 90, LI 700® or Liberate® at recommended rate. Tank mixing with Compadre® will provide drift reduction and de-foaming of spray solutions.

Environmental Hazards: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash-waters.

STORAGE:

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Wastes may be disposed of on-site or at an approved waste disposal facility. Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decontaminated containers is the best option.

DISPOSAL OF CONTAINER:

Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decontaminated containers is the best option.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

BEFORE BUYING OR USING THIS PRODUCT, read the Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary. LOVELAND PRODUCTS, INC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, when the product is used in accordance with such Directions for Use for normal conditions of use. LOVELAND PRODUCTS, INC. MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE BUYER’S OR USER’S EXCLUSIVE REMEDY FOR ANY INJURY, LOSS, OR DAMAGE RESULTING FROM THE HANDLING OR USE OF THIS PRODUCT SHALL BE LIMITED TO ONE OF THE FOLLOWING, AT THE ELECTION OF LOVELAND PRODUCTS, INC. OR THE SELLER: DIRECT DAMAGES NOT EXCEEDING THE PURCHASE PRICE OF THE PRODUCT OR REPLACEMENT OF THE PRODUCT, LOVELAND PRODUCTS, INC. AND THE SELLER SHALL NOT BE LIABLE TO THE BUYER OR USER OF THIS PRODUCT FOR ANY CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES, OR DAMAGES IN THE NATURE OF A PENALTY.
