Laudis® Herbicide
EPA Reg. No. 264-860
+
Dicamba herbicides

Laudis® + Dicamba tank mixture for the control of
emerged grasses and broadleaf weeds in field corn.

PRODUCT BULLETIN

FOR DISTRIBUTION AND USE ONLY IN THE STATES OF COLORADO, ILLINOIS, INDIANA, IOWA, KANSAS, KENTUCKY, MICHIGAN, MINNESOTA, MISSOURI, MONTANA, NEBRASKA, NEW MEXICO, NORTH DAKOTA, OHIO, OKLAHOMA, SOUTH DAKOTA, TEXAS AND WISCONSIN

FIFRA Section 2(ee) Recommendation: This recommendation is made as permitted under FIFRA Section 2(ee) and has not been submitted to or accepted by the U.S. Environmental Protection Agency. This product bulletin should be in the possession of the user at the time of pesticide application. Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on the EPA registered label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Product	Rate	Crop	Weeds
Laudis® Herbicide +	2 to 3 fl. oz/acre ¹ +	Apply the tank mixture to field corn from emergence up to the V9 growth stage, or 36' tall corn, whichever occurs first.	For enhanced control of broadleaf and glyphosate-resistant weeds.
Dicamba herbicides +	8 to 10 ² fl oz/acre ¹ +		
MSO +	1.0% v/v		
Ammonium Nitrogen Fertilizer	Recommended rate on the Laudis Herbicide label		

¹ If the dicamba rate in the tank mixture is 10 fl. oz/acre, the Laudis Herbicide rate in the tank mixture MUST be 3 fl. oz/acre.

² The maximum rate/acre varies amongst dicamba products. Refer to the product label for the maximum allowable rate/acre.

Notes and Restrictions:

- Apply as a broadcast spray in a minimum of 10 gallons of water per acre.
- Apply spray mixtures within 24 hours of mixing to avoid product degradation.
- Avoid drift onto adjacent crops. **It is the responsibility of the applicator to insure that drift to non-target crops and non-target areas does not occur.**
- For further use directions, precautions and restrictions not addressed in this bulletin, follow the most restrictive directions on the respective labels of both partners in the tank mixture.

Use of this product according to this bulletin has not been reviewed or endorsed by the State of Indiana.

For **MEDICAL** And **TRANSPORTATION** Emergencies **ONLY** Call 24 Hours A Day 1-800-334-7577

For **PRODUCT USE** Information Call 1-866-99BAYER (1-866-992-2937)

As with any crop-protection product, always read and follow label directions.
