

# **CORNBELT FOAM MARKER**

## **LONG LASTING**

## **FOAM MARKER CONCENTRATE**

### **Principal Functioning Agents:**

	<b>Pct/wt.</b>
Proprietary blend of active foam agents .....	<b>45.9%</b>
Inert ingredients .....	<b>54.1%</b>

### **CAUTION**

#### **KEEP OUT OF REACH OF CHILDREN**

**Avoid prolonged contact with skin. In case of contact wash with water. Causes eye irritation. In case of contact with eyes, immediately flush with water for at least 15 minutes and get medical attention.**

### **PROTECT FROM FREEZING**

### **IMPORTANT**

**Do not mix CORNBELT® FOAM MARKER with any other foam marker concentrate. CORNBELT® FOAM MARKER is a carefully tested blend of foam additives and stabilizers that may not be compatible with other products. A mixture will likely result in poor quality foam.**

#### **Notice - Read Carefully**

**Conditions of Sale: Van Diest Supply Co. (and seller) offer(s) this product for sale subject to, and buyer and all users are deemed to have accepted the following conditions of sale and warranty which may only be varied by written agreement of a duly authorized representative of Van Diest Supply Co.**

**Warranty Limitation: Van Diest Supply Co. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the use directions on the label subject to the inherent risks referred to below. Van Diest Supply Co. makes no other express warranties. THERE IS NO IMPLIED WARRANTY OF MERCHANTABILITY and there are no warranties which extend beyond the description on the label hereof.**

**Inherent Risks: The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with use. Buyer assumes all risks associated with use or application, of this product contrary to label instructions or resulting from extraordinary weather conditions.**

**Limitation of Liability:** In no case shall Van Diest Supply Co. be liable for special, indirect or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect of which such damages are claimed.

#### **DIRECTIONS FOR USE**

Add 1 gallon CORNBELT® FOAM MARKER for every 80 gallons of water (1 quart per 20 gal.) To insure proper mixing, either premix concentrate with water or fill the foam tank with half the desired amount of water, add the proper amount of CORNBELT® FOAM MARKER and add the remaining water.

The addition of water conditioners is generally not recommended as they have been built into the product. Where water contains high concentrations of mineral salts, it may be necessary to increase the CORNBELT® FOAM MARKER concentration to 1 gallon per 60 gallons of water.

Since foam stability is not predictable under all conditions of wind, humidity, temperature and exposure to sunlight, the user should make his own test to determine the optimum use rate of CORNBELT® FOAM MARKER for his particular situation.

CORNBELT® FOAM MARKER is a synthetic non-protein foam concentrate designed to be used with conventional agricultural foam generators. CORNBELT® FOAM MARKER provides a high-expansion foam having superior stability.

CORNBELT® FOAM MARKER produces a dense highly visible foam of sufficient longevity under normal weather conditions which helps eliminate costly gaps or overlaps which can occur during the application of fertilizer and pesticides.

To insure a good quality foam, be certain to flush and clean the foam generating equipment before use.

**DO NOT STORE BELOW 40°F**
