

Boron 15%

Granular Borate

Guaranteed Analysis:

Boron (B).....15%
Derived from Sodium Borate
50 lbs. Of Boron 15% provides 7.5 lbs. of Boron (B)
CAS Registry Number: 12179-04-3

KEEP OUT OF REACH OF CHILDREN

WARNING

Causes serious eye irritation. Suspected of damaging fertility or the unborn child.

PRECAUTIONARY STATEMENTS

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves, protective clothing, eye protection and face protection. Wash hands thoroughly after handling. Store in a secured area. Dispose of contents/container in accordance with Federal, state and local regulations.

For Chemical Spill, Leak, Fire or Exposure, call Chemtrec (800) 424-9300

FIRST AID

IF IN EYES: Rinse cautiously with water for 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

IF EXPOSED OR CONCERNED: Get medical attention.

In case of medical emergency, call toll free 1-877-424-7452

DIRECTIONS FOR USE: This product is recommended to correct boron deficiencies. The interpretation of the soil test for boron depends on soil texture and plant boron requirements. User should seek the advice of a certified crop advisor or trained agronomist. For specific crop recommendations in your area, consult your state's recommendations.

Where crop requirements are high and the soil tests are low to very low, apply 2 to 3 lbs. per acre of boron respectively. Where the crop requirements are medium and soil tests are low to very low, apply 2 lbs. per acre of boron. Where the relative crop need is low and the soil test is very low, confirm the boron need by plant tissue analysis.

This product is intended for use in further blending with agricultural grade fertilizers and should be applied evenly. Application equipment should be calibrated to insure targeted rates of application

CAUTION: The use of this product on any crop(s) other than those recommended may result in serious injury to the crop(s).
