

CORNBELT®

PAN  PTIX™

WITH
LOCKTITE™
TECHNOLOGY

ACTIVE INGREDIENTS:

Proprietary Blend of High Surfactant Load Modified Soybean Oil, Citric Acid, and Oligomeric Resin	92.5%
Other ingredients	7.5%
TOTAL	100%

WARNING

**STOP – READ ENTIRE LABEL BEFORE USING
AND
KEEP OUT OF REACH OF CHILDREN**

HAZARD STATEMENTS

Causes skin irritation and eye irritation.

PRECAUTIONARY STATEMENTS

Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, eye protection and face protection.

FIRST AID

IF SWALLOWED: Call a POISON CONTROL CENTER or doctor/physician if you feel unwell. Rinse mouth.

IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs, get medical advice/attention.

IF IN EYES: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation occurs, get medical advice/attention.

Net Contents: 2.5 gallons

PRECAUTIONARY STATEMENTS

WARNING: Causes skin irritation and eye irritation. Read and follow all precautionary statements on the accompanying label(s).

FIRST AID

IF SWALLOWED: Call a POISON CONTROL CENTER or doctor/physician if you feel unwell. Rinse mouth.

IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs, get medical advice/attention.

IF IN EYES: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation occurs, get medical advice/attention.

USE PRECAUTIONS

Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, eye protection and face protection.

STORAGE AND DISPOSAL

STORAGE: Keep this container tightly closed. Store above 10 °F. Store in original container. Do not store in aluminum, copper, zinc, or mild steel containers. Do not allow water or other chemicals to be introduced into contents of container. Do not contaminate water sources with equipment washwater, spray disposal wastes or by cleaning of equipment. Do not store near feed or food products.

DISPOSAL: Dispose of contents and container in accordance with federal, state, and local regulations.

GENERAL INFORMATION

CORNBELT® PANOPTIX™ is a high surfactant load modified soybean oil containing a multifunctional patented nonionic surfactant and drift and deposition management agent with anti-bounce technology. CORNBELT® PANOPTIX™ is specially formulated to provide the MSO needed at reduced rates for herbicide technologies that require a high-quality MSO for increased efficacy. Use CORNBELT® PANOPTIX™ when the herbicide label calls for an MSO and better canopy penetration and droplet retention on the leaf surface is desired. The adhesive properties of CORNBELT® PANOPTIX™ provide superior anti-bounce of the spray droplet and greater retention on the leaf surface. The citric acid in CORNBELT® PANOPTIX™ functions as a chelating agent which chelates hard water cations such as calcium, iron, manganese, and magnesium, preventing them from binding to the herbicide and adversely affecting the performance of the herbicide. CORNBELT® PANOPTIX™ is APE and NPE free and may be used anytime the pesticide label calls for the use of either a COC or an MSO. CORNBELT® PANOPTIX™ contains a silicone antifoam to minimize the formation of foam in the spray tank.

DIRECTIONS FOR USE

CORNBELT® PANOPTIX™ is intended for use with products registered for agricultural, horticultural, turf, ornamental, industrial, and non-crop uses.

Do NOT use if the pesticide label prohibits the use of an MSO.

WARNING: Read and follow all pesticide label directions. Do not use where the pesticide label specifically prohibits the use of an adjuvant. If the pesticide label neither recommends nor prohibits an adjuvant, the applicator must have previous experience with the adjuvant/pesticide spray mixture or should apply a small test area before making large scale applications. The addition of an adjuvant to spray mixtures may cause phytotoxicity to susceptible crop and vegetation. Care should be exercised when using on new varieties of crops not previously treated with CORNBELT® PANOPTIX™.

USE RATE: Add CORNBELT® PANOPTIX™ at 1 to 2 quart per 100 gallon of water. Use the higher rate with products containing Kixor® technology or when applying to larger, difficult to kill weeds in adverse spray conditions.

MIXING: Add CORNBELT® PANOPTIX™ as the first component of the spray tank mixture.

CONDITIONS OF SALE AND WARRANTY

The directions for use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result beyond the control of Van Diest Supply Company or the Seller. All such risks shall be assumed by the Buyer. Van Diest Supply Company warrants that this product conforms to the chemical description on the label and is a reasonable fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. VAN DIEST SUPPLY COMPANY MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OR ANY OTHER EXPRESS OR IMPLIED WARRANTY. IN NO CASE SHALL VAN DIEST SUPPLY COMPANY OR THE SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. Van Diest Supply Company and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of Van Diest Supply Company.

CORNBELT® and CORNBELT Logo® are Registered Trademarks of Van Diest Supply Company. Kixor® is a registered trademark of BASF. PANOPTIX™ is a trademark of Van Diest Supply Company.
