**IT IS A VIOLATION OF FEDERAL LAW TO
USE THIS PRODUCT IN A MANNER
INCONSISTENT WITH IT LABELING**

This label for Command® 3ME Herbicide is valid until December 31, 2029 or until withdrawn, cancelled or suspended.

Section 24(c) State Registration

DIRECTIONS FOR USE:

For aerial application of Command 3ME on rice.

Apply in a minimum of 5 gallons of finished spray per acre.

Apply prior to weed emergence during the period from 14 days pre-plant to 7 days post-plant or apply post-plant to rice through the -5-leaf stage to provide pre-emergent and extended residual grass control. If grass is already present, include a post-emergence grass herbicide with the application. All pesticide products used in a tank mix with Command 3ME must be approved by the Arkansas State Plant Board under an Arkansas **"State Supplemental Label"**. Follow all directions, restrictions and precautions on the EPA registered label for each product in the tank mixture.

Observe all buffer restrictions noted in the Application Precautions section.

Partial weed control may result if levees are pulled after Command 3ME has been applied.

Additional use of labeled post-emerge herbicide applications may be required where existing grass weeds are present at the time of application.

**ALL APPLICABLE DIRECTIONS, RESTRICTIONS AND PRECAUTIONS ON THE EPA REGISTERED LABEL ARE TO BE FOLLOWED.
THIS LABELING MUST BE IN THE POSSESSION OF THE USER AT THE TIME OF PESTICIDE APPLICATION.**

CROP	PESTS	RATE OF APPLICATION			
		Soil Texture	Broadcast Rates Per Acre*	Pounds a.i. per acre	Acres per Gallon
Rice	Barnyardgrass (Watergrass) (Including herbicide resistant types) Broadleaf Signalgrass Crabgrass (Large, Smooth) Panicum (Common, Fall, Texas) Sprangletop	Coarse (light) Soils: (sand, loamy sand, sandy loam)	11 - 14 fl oz	0.25 - 0.33	11.6 – 9.1
		Medium Soils: (loam, silt, silt loam, sandy clay, sandy clay loam)	17 – 21 fl oz	0.4 – 0.5	7.5 - 6
		Fine (heavy) Soils: (silty clay, clay loam, silty clay loam, clay)	21 - 34 fl oz	0.5 - 0.8	6 - 3.76
		* Select lower to higher rates based on lighter to heavier soil types.			

24 (c) Registrant:

FMC Corporation
2929 Walnut Street
Philadelphia, PA 19104

CROP SAFETY PRECAUTIONS:

Application of Command 3ME herbicide to fields which have been precision leveled with deep cuts may result in rice crop injury including stand loss. Consult with rice specialists for soil amending practices which can reduce potential for herbicide injury in precision-leveled fields.

AERIAL APPLICATION REQUIREMENTS:

In order to reduce the potential for off-site movement from a treated field, the aerial applicator must:

1. The applicator must offset applications ½ swath towards the upwind direction
2. The applicator must use a coarse spray quality
3. Boom length from end nozzle to end nozzle should be 75% of less of wing span or rotor width
4. Do not apply in wind speeds greater than 10 mph
5. Do not apply during temperature inversions
6. Release height should be 10 feet or less above the canopy

Also refer to: Arkansas Pesticide Use and Application Act and Regulations. Act 389 of 1975 as amended (pages 15-17).

APPLICATION PRECAUTIONS:

Caution must be taken to minimize off target drift of Command 3 ME as off-site movement can cause foliar whitening or yellowing of some plants.

Do not apply Command 3ME herbicide within 1,200 feet of the areas listed below:

Towns and Housing Developments
Commercial Vegetable Production (except peppers, pumpkins, succulent peas, sweet corn, sweet potato and winter squash)
Commercial Fruit / Nut Production
Commercial Nurseries
Commercial Greenhouses

Do not make applications of Command 3 ME herbicide when spray particles may be carried by air currents to areas where desirable crops and plants are growing, or when temperature inversions exist. Applicator must determine that wind direction is blowing away from desirable crops and plants before making application.

Prior to application, adjacent properties not owned or leased by the USER of Command 3ME must be checked for desirable plants such as in home gardens or yards and applications within 300 feet of any such desirable plants must be avoided.

RESTRICTIONS:

Command 3ME may be applied to water seeded rice 14 days prior to planting or during rice pegging up to re-flooding but prior to grass emergence.

With split applications do not apply more than a total of 34 fl oz Command 3ME (0.8 lbs ai) per acre per season.

Do not apply Command 3ME herbicide on rice fields in which concurrent crayfish or catfish farming is included in the cultural practices. Do not use water containing Command 3ME residues from rice cultivation to irrigate food or feed crops, which are not registered for use with Command 3ME.

REPLANTING INSTRUCTIONS

If initial planting of rice fails to produce a uniform stand, rice may be replanted in fields treated with Command 3ME herbicide. Do not retreat fields with a second application of Command 3ME. Do not replant treated fields with any crop at intervals that are inconsistent with the ROTATIONAL CROP GUIDELINES on this labeling.

ROTATIONAL CROP GUIDELINES

Rotate to crops as listed below, otherwise crop injury may occur.

Note: When using Command 3ME herbicide with other registered herbicides always refer to rotational restrictions and precautions on the other product's label.

ANYTIME - Cotton*, Peas, Peppers, Pumpkins, Rice, Soybeans, Squash, Sweet Potatoes, Tobacco and Tuberos and Corm Vegetables

9 MONTHS - Cotton, Corn (Field, Pop, Seed, Sweet), Cucurbits, Dry Beans, Peanuts, Potatoes, Snap Beans, Sorghum, Sugar Beets, Tomatoes (Transplanted)

12 MONTHS - All other crops

* Refer to "REQUIREMENTS FOR PLANTING TIME APPLICATIONS" and "REPLANTING INSTRUCTIONS" in the Command 3ME federal label.

Conditions of Sale and Limitation of Warranty and Liability:

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as manner of use or application, weather or crop conditions beyond the control of FMC or Seller. To the extent consistent with applicable law, all such risks shall be assumed by Buyer and User, and Buyer and User agree to hold FMC and Seller harmless for any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the Directions for Use when used in accordance with the directions under normal conditions of use. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, FMC MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE, NOR ANY OTHER EXPRESS OR IMPLIED WARRANTIES WITH RESPECT TO THE SELECTION, PURCHASE, OR USE OF THIS PRODUCT. Any warranties, express or implied, having been made are inapplicable if this product has been contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or FMC, and Buyer assumes the risk of any such use.

To the extent consistent with applicable law, FMC or Seller shall not be liable for any incidental, consequential or special damages resulting from the use or handling of this product. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF FMC AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF FMC OR SELLER, THE REPLACEMENT OF THE PRODUCT.

This Conditions of Sale and Limitation of Warranty and Liability may not be amended by any oral or written agreement.

NOTICE TO BUYER -- Purchase of this material does not confer any rights under patents of countries outside of the United States.
