

FIFRA Sec. 2(ee) Recommendation

Apogee[®]

Plant Growth Regulator

Early application timing for fire blight management in apples in Illinois, Indiana, Kentucky, New York, and Wisconsin.

This Section 2(ee) Recommendation expires on December 31, 2025.

EPA Reg. No. 7969-188

This recommendation is made as permitted under FIFRA Section 2(ee) and has not been submitted to or approved by the EPA.

All applicable directions, restrictions, precautions, and Conditions of Sale and Warranty on the EPA registered container label are to be followed.

Information contained in this Section 2(ee) Recommendation is not intended to replace or amend any product labeling. Always read and follow all label directions when using any pesticide alone or in tank mix combinations.

The user must have this recommendation in their possession at the time of use.

Use of this product according to this bulletin has not been reviewed or endorsed by the Office of the Indiana State Chemist.

Directions For Use

Make the first Apogee[®] plant growth regulator application between the pink stage of flower development and 1 to 3 inches of new growth.

Apogee is a registered trademark of BASF.
