

# Valcheck<sup>®</sup> 80/20

Nonionic Surfactant and Wetting Agent

## Principal Functioning Agents:

Alcohol Ethoxylate and Alkyl Phenol Ethoxylate .....	80.0%
Constituents Ineffective as a Spray Adjuvant .....	<u>20.0%</u>
Total .....	100.0%

All ingredients in this product are exempt from the requirements of a tolerance as specified under Title 40, Code of Federal Regulations 180.

KEEP OUT OF REACH OF CHILDREN

WARNING

## PRECAUTIONARY STATEMENTS

**WARNING:** Combustible liquid. Causes eye and skin irritation. Harmful if swallowed or if in contact with skin. Do not get on skin, in eyes, or on clothing. Do not eat, drink, or smoke while using this product. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, using tobacco or using the toilet. Take off contaminated clothing and wash before reuse. Avoid release to the environment.

**PERSONAL PROTECTIVE EQUIPMENT (PPE):** Wear eye protection, face protection, protective gloves and protective clothing.

## FIRST AID

**IF IN EYES:** Rinse cautiously with water for 15 to 20 minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. If eye irritation persists, get medical attention.

**IF SWALLOWED:** Call a poison control center or doctor if you feel unwell. Rinse mouth.

**IF ON SKIN OR CLOTHING:** Immediately take off contaminated clothing and wash before reuse. Rinse skin immediately with plenty of water for 15 to 20 minutes. If skin irritation occurs seek medical advice / attention.

**In case of medical emergency, call toll free 1-877-424-7452.**

## STORAGE AND DISPOSAL INFORMATION

**STORAGE:** Store product locked up in original container away from pesticides, fertilizers, and food or feed, and keep container tightly closed when not in use. Do not use, spill, or store near heat or open flames. Take care to prevent water from being introduced to the contents of this container. **Shake well before use. PROTECT FROM FREEZING.**

**DISPOSAL:** Do not contaminate water, food, or feed by storage or disposal. Empty container may contain explosive vapors or hazardous residues. Triple rinse container and pour rinsate into spray tank. Do not reuse container. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit [www.acrecycle.org](http://www.acrecycle.org). Dispose of contents/container in accordance with local/national regulations.

### GENERAL INFORMATION

Valcheck 80/20 is a general purpose, low foam nonionic surfactant; spreader/penetrant for use on plants to maximize the effectiveness of insecticides, herbicides, fungicides, and defoliant. It is designed for quick wetting, uniform droplet distribution, and increased spray retention on leaf and stem surfaces. Valcheck 80/20 incorporates superior wetting and penetrating characteristics that allow for more uniform spray coverage without excessive run-off of the spray. Care must be taken in treating crops during periods when plants are subjected to drought stress, high temperatures, and high humidity.

NOT FOR AQUATIC USE IN CALIFORNIA OR WASHINGTON STATE.

**ENVIRONMENTAL HAZARDS:** Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high-water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash waters.

### DIRECTIONS FOR USE

REFER TO PESTICIDE LABEL FOR SPECIFIC CROP USE AND APPLICATION RATES. Prior to use, read and follow all directions on this label and on the label of the pesticide being used. Refer to the dilution chart below for additional information on usage rates.

### SUGGESTED USE RATES

CHEMICAL GROUP	VALCHECK 80/20 per 100 gals of spray mixture
Insecticide, Fungicides and Acaricides	1-2 pints
Herbicides	1-2 pints
Defoliant, Desiccant, and Wettable Powders	1-2 pints

Needed rates of Valcheck 80/20 may vary with conditions of application. Add sufficient Valcheck 80/20 to form a smooth, uniform spray deposit. For best mixing results, fill the spray tank half to three quarters full, add antifoam and begin agitation. Consult the pesticide or fertilizer labels for recommended sequence of addition. The pesticide manufacturer's label for specific usages and restrictions have precedence over DIRECTIONS FOR USE referred to on this label.

### NOTICE OF WARRANTY:

Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of the Seller. IN NO CASE SHALL SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. ALL SUCH RISKS SHALL BE ASSUMED BY THE BUYER. SELLER MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.
